

## Presidents' Letter to the Chicago Chapter

Back on July 27, 28, 29, for the visit of 4014, "Big Boy" to West Chicago, the Chicago Chapter was asked to provide several members each day to help with crowd control. I would like to thank Brian Valleau, Mike Imaoka, Roy Jackson, Jason Lemkau, Brian Lant, Chris Jacks, and Gary Rhebergan for spending time on rotating shifts to lend a hand. I was told, the Union Pacific RR was happy to have us and also very pleased with the way we provided help where needed, when needed. Thank You to all for a job well done.
