To all Chicago Chapter members

It's been awhile since we've had a meeting and even longer since we've seen some of you. I hope everyone is doing well and able to get through this uncertain time.

The Lincoln Center started by canceling our meetings a month at a time, then 3 months and just this weekend the canceled all meeting thru Dec 31st. Therefore, we will not be meeting at the Lincoln Center the rest of this year. We are trying to find a new meeting location and will keep our website updated on our progress. www.chicagorailassociation.org

This also announces our Annual Meeting and Election of Officers. Positions being voted on include: President, Vice-president, Secretary, Treasurer, and 3 Board of Directors. If you would like to nominate someone for any of these positions, either send their name and position to: Chicago Chapter, PO Box 2023, Elmhurst, IL, 60126-8723 or email Larry at chichptrpres@aol.com.

We are doing everything to find a meeting location for this meeting and hopefully other meetings.

Stay tuned for updates

Everyone please stay safe

Larry Klingbeil, President
